

Burlington Gardens marble landing

# Dorfman Senate Room & Burlington Gardens

The newly restored Dorfman Senate Room sits within our beautiful Burlington Gardens building. Serving as a café by day, it can be used for private breakfasts and evening events.

The adjoining Burlington Gardens marble landing can also be used in connection for larger guest numbers.

Corporate Members can enjoy the pleasure of combining events with a private view of the current exhibitions in the Gabrielle Jungels-Winkler Galleries. Please contact [Ann.Hartigan@royalacademy.org.uk](mailto:Ann.Hartigan@royalacademy.org.uk) for more information.
