### Database Assistant (6 month fixed term contract) Development Department Up to £24,000 per annum pro-rated, plus attractive benefits

The Development Department at the Royal Academy plays a vital role in the success and growth of the Royal Academy of Arts as a dynamic and independent institution, and our database, Raiser's Edge, is a crucial tool in ensuring that accurate fundraising data is available for the team.

We are looking for an experienced Database Assistant to work with the existing team for a period of six months, assisting in the day-to-day administration of the database and supporting colleagues in using it effectively.

Experience in using Raiser's Edge is essential, and you will be writing queries, producing reports, extracting data and data cleaning, as well as providing a helpdesk service and training for colleagues within the department.

First class accuracy and close attention to detail is paramount as are good interpersonal and communication skills.

To apply please send your CV and cover letter to recruitment@royalacademy.org.uk

Suitable candidates will be invited for interview within 10 days.
